IN THE HIGH COURT OF JUDICATURE OF ANDHRA PRADESH AT HYDERABAD

THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.1623 of 2002

Dated: 5th July, 2006

Between:

T.Dayanand Reddy

.. Petitioner

and

The Divisional Engineer, Central Power Distribution Company of A.P.Ltd., Siddipet, Medak district & others.

.. Respondents

THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.1623 of 2002

ORDER:

The petitioner is an agriculturist having electricity service connection bearing No.47 at Pidchit village, Gajvel mandal, Medak district. His grievance is that without putting him on any notice and without issuing any demand notice or assigning any reasons, his service connection was sought to be disconnected by the respondents.

This Court, while admitting the writ petition on 30.1.2002, granted interim direction directing the respondents to restore the power supply by accepting the electricity charges applicable to 3.0 HP load.

There is no necessity of going into all the details. The matter requires an elaborate enquiry as to whether the meter setup by the petitioner was a 3.0 HP load meter or not.

In view of the above, without expressing any opinion on merits, the respondents are directed to conduct a detailed enquiry into the matter after putting the petitioner on notice and hearing him personally and thereafter pass appropriate orders within a period of three months from the date of receipt of a copy of this order. Until final orders are passed, the electricity charges shall be calculated as per the interim orders passed by this Court on 30.1.2002.

With the above direction, the writ petition is accordingly disposed of. No order as to costs.
